4 Under Arts 77 and 78 (note) etc permanent advances should not be multiplied unnecessarily. An officer having subordinates who require petty sums should rather share a small portion of his own advance for their use than apply for separate advances for them taking acknowledgments from them in the same way as he himself furnishes the Comptr, and retaining them in his office.

5 Mr. Gopalkrishnan may be given Rs50 out of the advance of Rs200 placed at the disposal of the Silk Expert. If however it is considered ~~necessary~~ necessary to give him a separate permanent advance, such advance should be fixed by Govt. on application through the Comptroller.
